POOL NEWS

Pool season is right around the corner! Opening weekend is planned for May 25th. We've been working on a few improvement projects in the off season. Please make sure to return your pool membership form along with your payment.

If you haven't been a member in the past, we hope you will consider joining this year. Past members remember to hold on to your blue key fob, it will be reactivated for the 2024 season once we receive your form & payment.

If you have any questions, feel free to contact Chris Crawford via bwpoolmembers@gmail.com.

Be watching the Belmont West Facebook page for the pool spring clean-up day closer to opening day. If you could spare 15mins, 30mins, even an 1hr to help spruce up around the pool, we would appreciate the helping hands. Many hands make light work!
